Immerse yourself in the joys of life.

Whether it's a stimulating discussion with a loved one, the tones of your favorite music or a gripping drama, life is interwoven by sounds and words that highlight its richness and are made for sharing. And that's something no-one should miss out on. With Signia's Fast hearing aids, you don't have to. Whatever is going on around you, you can relax and take it all in.

Great for every conversation, whoever it's with.

At home, whether it's quiet or the kids are running around.

A snug fit:

As a behind-the-ear or BTE model, Fast sits comfortably behind the ear providing you with the optimum amplification to hear what is really important.

The new Fast.

For a more powerful listening experience.

Ideal for wearers with higher amplification needs, the new Fast delivers all the performance you expect from a Signia hearing aid for an outstanding listening experience. Powerful yet beautifully sleek, it fits snugly and discreetly behind your ear for maximum comfort all day long. Plus, with its convenient rocker switch, you can adjust your hearing aid quickly and simply for effortless hearing.

Discover Fast hearing aids:

Color:
With its low-key beige color and sleek design, Fast sits discreetly behind your ear.

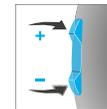

Beige

UNDERSTAND CONVERSATION

- 1 Focus on what is really important.**
Fast's microphone is perfectly positioned to pick up sounds and conversation for optimum amplification.

EASY HANDLING

- 2 All options at your fingertips.**
Conveniently positioned and easy to use, the rocker switch lets you adjust the volume of your hearing aids quickly and simply for complete comfort.

SOUND TRANSMISSION

- 3 Your strong connection to life.**
Ideal for wearers with severe hearing loss, the transparent earhook provides powerful amplification together with perfect wearing comfort.

- 4 Just made for you.**
Flexible, discrete and highly comfortable, the robust basic coupling tube can be easily trimmed to just the right length to keep the tip securely in your ear.

COMPLETE PROTECTION

- 5 Compact and comfortable.**
Fast's sleek, ergonomic housing fits discreetly behind the ear for all-day comfort.
- 6 Rugged, robust and reliable.**
Fast's housing is trialed and tested in the most challenging environments and is resistant to moisture, sweat, dust and dirt to keep out the rigors of everyday life.

Fast P

Your hearing aid fitter will help you decide which hearing aid is the right one for you, depending on your hearing loss and personal requirements.
